

CPOC MDD T&I PROJECT (Thailand)

KimFlex Slings

PROJECT TITLE

CPOC Muda Remote Head Well Platform.

DATE

June 2010.

ITEMS

KTL supplied the heavy lift slings for the T&I (transportation & installation) of the Muda C Remote Head well platform (MDD) for CPOC, a joint operating company between Petronas Carigali and PTTEPI.

The platforms were installed in 60m water depth in the Malaysia-Thailand Joint Development Area.
