

PROJECT TITLE

ONGC B-193 Field Development Project

DATE

September 2011.

BACKGROUND

The B-193 Well Head Platform is located in a block of the Bombay Offshore Basin, 60-90km from Mumbai. B-193 is one of seven oil and gas fields.

The total production of these fields is expected to be 36,000 barrels of oil per day by the end of 2011, and Six million standard cubic meters of gas by mid-2012.

The jacket installation is due to take place in December 2011.
